Policy Manual

Personal Communication Devices

701.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs) and similar wireless two-way communications and/or portable Internet access devices. PCD use includes, but is not limited to, placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games and accessing sites or services on the Internet.

701.2 POLICY

The West Plainfield Fire Department allows members to utilize department-issued PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on-duty, or used off-duty in any manner reasonably related to the business of the Department, will be subject to monitoring and inspection consistent with the standards set forth in this policy.

The inappropriate use of a PCD while on-duty may impair member safety. Additionally, members are advised and cautioned that the use of a personally owned PCD either on-duty or off-duty for business-related purposes may subject the member and the member's PCD records to civil or criminal discovery or disclosure under applicable public records laws.

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory staff.

701.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to emails, texts or anything published, shared, transmitted or maintained through file-sharing software or any Internet site that is accessed, transmitted, received or reviewed on any PCD issued by the Department and shall have no expectation of privacy in their location should the device be equipped with location detection capabilities.

The Department reserves the right to access, audit and disclose, for whatever reason, any message, including attachments, and any information accessed, transmitted, received or reviewed over any technology that is issued or maintained by the Department, including any department-issued PCD or personally owned PCD that has been used to conduct department-related business. This includes records of all keystrokes or Web-browsing history made on the PCD. The fact that access to a database, service or website requires a username or password will not create an expectation of privacy if it is accessed through department PCDs or networks.

Policy Manual

701.4 DEPARTMENT-ISSUED PCD

Depending on a member's assignment and the needs of the position, the Department may, at its discretion, issue a PCD. Department-issued PCDs are provided as a convenience to facilitate onduty performance only, unless otherwise authorized by the Fire Chief or the authorized designee. Such devices and the associated telephone number, if any, shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause. Except as provided in Section 701.6 below, the telephone numbers associated with any department-issued PCD shall not generally be distributed to individuals who are not members of the Department. Notwithstanding the preceding, the telephone number associated with any PCD identified as the "duty phone" may be given to a career member's family members or to members of affiliated fire departments for the purpose of conducting business or for those authorized personal purposes outlined below.

Unless a member is expressly authorized by the Fire Chief or the authorized designee for off-duty use of the PCD, the PCD will either be secured in the workplace at the completion of duty or will be turned off when leaving the workplace.

MINUTES - STANDING COMMITTEE - LILLARD HALL - MEETING November 8, 2023 at 10:15 AM

Held: Lillard Hall 24905 County Road 95 Davis, CA 95616

1. Call the Meeting to Order (Chair Amy)

The meeting was called to order by Chair Amy at 10:17 AM.

Present were:

Commissioners: Emily Amy and Warren Roos

Staff: Hall Manager Ned Sykes and Fire Chief Cherie Rita
Other: Volunteer Firefighter and District Resident Bay Warland

2. Public Comment

NONE

3. Discussion / Action - Kitchen Remodel Progress Report (Chair Amy)

Mr. Chong is scheduled to begin work on plumbing upgrades/improvements sometime around November 20, 2023. Some electrical work has been completed already.

In addition to a potential bathroom remodel, those present identified the need to install lighted emergency exit signs that will illuminate if the power goes out. This would require pulling electricity to each exit. Chair Amy will investigate whether we can install battery-operated signs that remain lit at all times and still meet the code requirements.

4. Discussion / Action - Capital Improvements (Chair Amy)

a. Identify and Prioritize Necessary Improvements

The group identified and prioritized necessary improvements as follows:

- i. Illuminated "exit" signs
- ii. Restroom remodel
- iii. Floor
- iv. Northeast Hall Door
- v. Roof
- vi. Parking Lot
- vii. Paint Exterior
- viii. Paint Interior
- ix. Window Coverings
- x. Lighting
- xi. HVAC
- xii. Kitchen Upgrades

b. Restroom Remodel

Commissioner Roos asked if Hall Manager had paid for the site drawing yet. Hall Manager Sykes replied he had not yet paid it as he had been waiting for new checks, which had now arrived. Manager Sykes indicated he would get that invoice paid right away.

i. Update

Chair Amy provided a simple overlay of a proposed addition to the current bathrooms. The addition would be built at the South end of the current bathrooms and would perhaps meet the ADA lavatory requirements for a building this size.

Chief Rita reported that seated capacity had been determined by Chief Stiles to be a bit over 200 individuals. Chair Amy did not want to increase the current occupancy above the 150 now posted as it could perhaps trigger additional lavatory or other modifications. Chief Rita noted that for Pancake Breakfast fundraiser purposes, the 150 occupancy should not be lowered.

For purposes of obtaining grant or other funding, those present estimated that the cost of the remodel might be as high as \$50,000. Without official drawings or knowing what exactly will be required, it is difficult to estimate the cost accurately.

ii. Ordering or Developing Plans or Blueprints

Without knowing what exactly the remodel requirements, if any, might be, now is not the time to incur the cost of ordering or developing plans or blueprints.

c. Identify Funding Sources

The group identified the following possible funding sources:

- i. County Grants
- ii. Donors
- iii. Yocha De He Grant
- iv. State and/or Federal Grants focused on accessibility

5. Update on Opening New Checking Accounts (Chair Amy)

Chair Amy reported that she and Commissioner McMullen had so far been the only ones to sign documents at the Bank. Commissioner Roos reported that he had but had neglected to notify Chair Amy. Commissioner Stiles and Clerk Hall still need to sign, but both have been experiencing scheduling issues.

NOTE: Item 9 was heard here.

6. Discussion / Action – Development of Lillard Hall Budget (Chair Amy and Chief Rita)

Chair Amy asked that the Liability category "Misc – Cleaning, Repairs, Bank Fees, Misc" be broken into (i) repairs and maintenance, (ii) janitorial, and (iii) bank fees. It was also noted that an adjustment needed to be made to the anticipated income from Mr. Chong for the FYE 24, as he did not begin his rental until October. See revised draft Budget attached.

7. Discussion / Action – Maintenance (Chair Amy)

Manager Sykes reported that the tree pruning was done and that he needs to clean the gutters again. Discussion turned to what kind of maintenance the parking lot might need right now. It was decided to let the first rains happen and then determine whether it might need additional gravel, etc.

Talking about priorities above at Item 4a prompted a discussion about when the Hall heating/cooling systems had last been serviced. No one could remember the last service date. Chair Amy directed Manager Sykes to get the systems serviced.

8. Discussion / Action – Rental Updates (Hall Manager Sykes)

Manager Sykes reported that Fairfield School was renting the Hall at the end of January and the Fly Fishers were renting again in March, both of whom have made their deposits. He reported that he was also taking with someone who might want to rent the Hall in June for a graduation party; but, had nothing official yet.

9. Open Forum – Other Hall Business (Chair Amy)

This item was heard out of order between Items 6 and 7 so that Ms. Warland could leave the meeting.

Ms. Warland requested that she be allowed to borrow 6-8 tables and chairs for those tables for a Woodland Health Care fundraiser on either December 2 or 9 (the date had not yet been firmed up). There was much discussion about past practice regarding loaning tables and chairs. For instance, surrounding fire departments have borrowed them for fundraisers, the Aviation Committee borrows them for their meetings at Davis Flight Support, and members occasionally borrow them, as well. All agreed that tables and chairs should be available for those uses and for use as requested by Ms. Warland.

The current Lillard Hall Use Policy covers use of the Hall and tables and chairs in the Hall. There is no formal policy or writing governing removing tables and chairs from the Hall to be used elsewhere.

Chair Amy directed Hall Manger Sykes to develop a Request Form for loan of tables and chairs at locations other than on Hall premises. Requests may only be made by a West Plainfield Fire Protection District member or by an affiliated entity (i.e., Airport, Davis Flight Support, UC Davis Fire Department, etc.) The form shall include the following provisions:

- a. Check in and check out procedures
- b. The requirement that should the opportunity to rent the Hall arise and there would be insufficient chairs and tables for such event if the loan were made, the loan shall be cancelled
- c. If during the check in process damage is noted that was not recorded at time of check out, the damaged item shall be replaced or repaired, as determined by the Hall Manager

10. Calendar (Chair Amy)

a. The next Lillard Hall Committee meeting to be determined

The next Lillard Hall Committee meeting will be held on December 13, 2023, at 10:15 AM.

11. Adjourn Meeting (Chair Amy)

Chair Amy adjourned the meeting at 11:41 AM.

STANDING COMMITTEE – BUDGET AND BENEFITS – MINUTES November 15, 2023 at 4:00 PM

Held in Person Lillard Hall 24905 County Road 95 Davis, CA 95616

1. Call the meeting to order (Chair Stiles)

Chair Stiles called the meeting to order at 4:07 PM.

Present were:

Commissioners: Beth Stiles and Warren Roos

Staff: Chief Cherie Rita and Assistant Chief Dave Stiles

2. Public comment

3. Discussion / Action – FYE 2024 Budget (All)

a. Review Current Budget Usage

Chief Rita noted that revenues won't really start to populate the budget reports until after the first of the year, but that all, including our share of the \$1.5 million to be allocated by the County to the Department, are now available. Appropriations (expenditures) were current as the first quarter of 2024.

Chief Rita reported that she had requested YCPARMIA prepare a 10-year loss history for us. Commissioner Roos asked if we knew how much all the claims amounted to. Commissioner Stiles asked about when claims would start being removed. Assistant Chief Stiles mentioned that, while seemingly expensive, the coverage has been good for our members. Commissioner Roos asked about self-insuring, but after some discussion and using Fire Captain Rita's lung surgery and another member's shoulder surgery, the cost could potentially be even greater.

b. Draft Revisions to Previously Adopted FYE 2024 Budget

Chief Rita reported that she had added a column to the draft budget to show those items representing our fixed cost of doing business, along with the projects and grant projects to be completed in this FYE 2024. Chief Rita also prepared several supplemental documents more clearly identifying those items and their associated cost. During the discussions that ensued, Chief Rita noted a revision to the supplement document that concerned accrued leave, the general reserve, and salaries; when identifying the revenues, Chief Rita noted that the non-stable revenues had also been included. When removing those, the amount necessary to meet the County's recommended general reserve amount deceased that amount from \$358,156 to \$216,381.

Chief Rita reported that the draft presented was not a balanced budget as she wanted input about where to put the remaining funds.

Everyone started by reviewing the Revenue estimates. Chief Rita noted she updated it to show addition of the 218 funds and the promised County funds, as well as sale of the water tender. During the meeting, the Revenue estimates were modified to show receipt of grant funds for the well project, which is anticipated to be completed this fiscal year.

Next to be reviewed and discussed was the section on salaries and benefits. Chief Rita reported that with the exception of adding the new hires, she had not otherwise changed this section. She did request, however, that the Board consider putting some of the remaining funds that had yet to be budgeted toward a pay increase from \$18.00 to at least \$19.00 per hour for our on-call driver/operators (formerly relief firefighters. Chair Stiles asked Chief Rita to recalculate salaries and benefits with on-call driver/operators receiving \$20.00 per hour. After discussing the difference, it was decided to recommend to the Board that on-call driver/operators receive an increase from \$18.00 per hour to \$20.00 per hour.

The current budget for salaries and benefits will increase next year by approximately \$100,000 because the calculations for this year include only a partial year for the new hires. Something to keep in mind when discussing possible raises. Chief Rita further pointed out that we had recently raised salaries and provided the QSEHRA benefits, which is partly why the *Estimated Fund Balance Available* on the *Revenue* worksheet had decreased. And the new hires probationary periods will not end until early next fiscal year.

After the changes to payroll and other adjustments, the balance remaining to still be allocated to a fund was \$7,700. It was agreed that this amount should be allocated to the appropriations fund (Account 590100).

c. Recommendations to Board, if any

The committee recommends that the Board:

- Approve salary increase from \$18.00 per hour to \$20.00 per hour for those members classified as on-call driver/operators, effective the next full pay period.
- ii. Adopt the revised 2023-2024 budget as modified (see attached).

4. Calendar

a. The next Budget Committee meeting to be determined
The next meeting is scheduled for January 11, 2024, at 4:00 PM.

5. Adjourn (Chair Stiles)

Chair Stiles adjourned the meeting at 5:20 PM.

November 13, 2023

Dear Chief Rita and Board,

Please accept this letter as formal notification that I am resigning from my position as Board Clerk with West Plainfield Fire Protection District. My last day will be December 31, 2023.

Thank you so much for the opportunity to work in this position for the last year. I've greatly enjoyed and appreciated the opportunities I've had while working with West Plainfield. I recently received a promotion with Yolo County and, unfortunately, it does not provide me with adequate time to fulfill the Board Clerk duties.

During these last few weeks, I'll do everything possible to wrap up my duties and train other staff members. Please let me know if there's anything else I can do to help during the transition.

I wish the Fire District continued success.

Sincerely,

Carly Hall

The Board considered these as a whole. President McMullen asked the Board members to identify any corrections and ask any questions, then they would vote on the group.

d. Discussion / Action – Standing Committees – Reports

i. Personnel Committee - Amy, Yeager

No meeting; no report.

Commissioner Amy questioned with the new procedures, does this committee need to continue or could it be closed as a standing committee and become an ad hoc committee. Commissioner Yeager advised he disagrees; it should remain a standing committee.

President McMullen questioned what positions would be reviewed by the Personnel Committee. Chief Rita advised it would be for the Board Clerk and Fire Chief. She added the committee can be taken off the agenda and added as needed.

President McMullen questioned if the committee would still handle discipline hearings and Chief Rita confirmed that was correct.

Commissioner Stiles added that the committee should also review the Lillard Hall Manager. Commissioner Amy advised that's handled by the Lillard Hall Committee. Chief Rita agreed with Commissioner Stiles as the Hall Manager is a District employee and splitting the assignment of evaluations, etc., could lead to confusion and differences in how evaluations were performed. Assistant Chief Stiles advised maybe including the Hall Manager to the committee's scope should be a future discussion.

ii. District Funding and Development Committee – Yeager, Stiles No meeting; no report.

Commissioner Stiles recommended this committee become an ad hoc committee or combine with the Budget and Benefits committee. Chief Rita advised she agreed it should be combined with the Budget and Benefits Committee. Vice President Yeager advised he agreed it's no longer needed. Commissioner Amy advised they should merge.

Motion: Merge the District Funding and Development
